You know first-hand the value of being an A+PEL member. Share your personal and professional experiences with colleagues so they too can discover the benefits of membership. **We'll even reward you for it!**

Here's how it works. During March, April, and May of 2010, current **A+PEL members who recruit a NEW Professional Member will receive a check equivalent to one year of free membership (up to \$175 in value)**. For every additional NEW Professional Member recruited, current A+PEL members are eligible to receive an additional \$25 rebate.

New members must pay \$175 with check, money order, bank draft, or join online with a credit card and will receive full membership benefits through June 30, 2011.

There are just a few provisions for you to follow:

- The newly recruited member must be a Professional Member.
- New members are characterized as individuals who have not been an A+PEL member at any time during the year prior to joining.
- Current A+PEL members who recruit a new Professional Member receive a reimbursement check in the amount equivalent to 1 year's membership dues. Reimbursements: Professional \$175; Practitioner Professional \$100; Associate \$55; University Student/Pre-Service \$20.
- Membership dues must be paid in full to receive membership reimbursement check which will be disbursed in May 2011.
- Current A+PEL members and newly recruited Professional Members must maintain their membership throughout the 2010-2011 school year in order to receive membership reimbursement check. Payroll deduction members must keep their payroll deduction status active.
- New members recruited through this special may sign up for payroll deduction (where available) in July 2011.
- The recruiter's name must be submitted in order for the reimbursement to be disbursed.
