HOW DOES IT WORK?

The Associated Professional Educators of Louisiana is challenging current members to recruit new Professional, Practitioner Professional, or Associate members. The more you recruit, the more you and A+PEL benefit. Participation is easy. Just put your name in the referral box on the membership application, and then encourage peers who would benefit from a membership with A+PEL to join.

This special begins September 1, 2010 and ends October 31, 2010. You only need to recruit one member to earn your initial reward of 50% off your 2010-2011 membership dues. From there, the more members you recruit, the more rewards you earn! For every new member recruited thereafter, receive \$25 recruiting rebate per professional member, \$25 recruiting rebate per practitioner professional member, and \$20 recruiting rebate per associate member.

The giving doesn't stop there. Entice new members to join by offering them a discount of 50% off their 2010-2011 membership dues!

The Each One - Reach One campaign features both individual and chapter rewards. The A+PEL member who recruits the most members by October 1, 2010, will receive a stipend valued at up to \$600 to attend a conference of his/her choice.
